Northrop Grumman Recognizes Unlimited Innovations With 2011 Supplier Excellence Award

December 19, 2011 // ANAHEIM HILLS, CALIFORNIA-- Northrop Grumman has recognized Unlimited Innovations, Inc. (UI) for their outstanding performance as one of its top suppliers, giving the Anaheim Hills, California-based IT software solutions company a 2011 Supplier Excellence Award during a recent ceremony at Northrop Grumman's corporate headquarters in Falls Church, VA.

UI was recognized this year for technical innovations, quality products and services, and outstanding performance—all of which significantly benefited Northrop Grumman, as well as their government and commercial customers.

"We are humbled and honored by this recognition. This award acknowledges our team's efforts to meet or exceed Northrop Grumman's rigorous criteria for schedule, management performance and responsiveness, technical performance, financial performance and mission assurance," said Philip Paul, CEO of Unlimited Innovations. "Unlimited Innovations has proven that we can consistently bring new ideas, industry knowledge, technical skills and enterprise solutions to meet Northrop Grumman's business needs."

ABOUT UNLIMITED INNOVATIONS

Unlimited Innovations provides custom IT solutions and professional services that help aerospace, financial services and healthcare companies to innovate, automate and grow. With offices in the U.S and the Asia Pacific region, UI supports the strategic, operational, and revenue goals of top tier clients through powerful technology solutions that improve efficiencies, increase productivity and enhance profitability.
